

EGS-KIT GOLD 2

TELEPHONE MICROTRANSMITTER + 2 CHANNELS UHF RECEIVER

The **EGS-Kit Gold 2** is a Professional wireless miniaturized System that allows the user to listen telephone conversations in the limit of range (600 m).

The **EGS-Kit Gold 2** is a complete kit featuring **GTTX2** UHF Telephone Transmitter with Serial Connection + **GRX2** UHF Receiver (2 Channels) + Walkman Style Stereo Headphones.

The tiny **GTTX2** UHF Telephone Microtransmitter can be connected anywhere along a telephone line. It can be concealed inside a socket or even inside the telephone itself. Power supplied directly from the telephone line, no batteries required; so once installed require no further attention. Higher power output transmitter. Designed for use in conventional analog telephone systems.

This device allows all telephone calls to be monitored using dedicated pocket receiver.

The **GRX2** UHF Receiver is a portable System with Walkman Style Stereo Headphones. The output socket allows any compatible tape or digital audio recorder to be connected. Two dedicated channels of operation (CH1/CH2) are available in a sturdy compact case which can fit discreetly inside a pocket; you can listen and record two different telephone lines.

The **EGS-Kit Gold 2** is highly sensitive thus optimising the reception range. Extensive filtering gives interference-free and crystal clear audio quality.

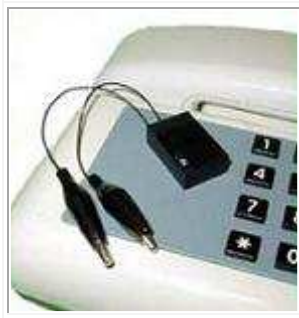

Technical Specifications:

GTTX2 - UHF Telephone Microtransmitter with Serial Connection:

- Frequency Range: 380 - 560 MHz
- Frequency Modulation: Narrowband FM
- Bandwidth: 4.5KHz (UHF)
- Antenna: Telephone Line
- Power Supply: Telephone Line Serial Connection (48 VDC)
- Output Power: 20 mW
- Operating Temperature: from -10°to +60°C
- Dimensions: 27 x 20 x 10 mm

GRX2 - 2 Channels UHF Receiver:

- Frequency Range: 380 - 560 MHz
- Channel Options: 2
- Controls: On-Off Switch, Channel Select Switch (CH1/CH2), Volume Control
- Connectors: Antenna Socket, Stereo Headphones/Recorder Socket
- Power Supply: 9V PP3
- Dimensions: 70 x 67 x 23 mm
